TARIFF FORMAT

- A. **Sheet Numbering** - Sheet numbers appear in the upper right heading of each sheet. Sheets are numbered sequentially. However, occasionally, when a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. **Sheet Revision Numbers** - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the Kentucky Public Service Commission ("Commission"). For example, the 4th revised Sheet 14 cancels the 3rd Revised Sheet 14. Because of various suspension periods, deferrals, etc. the Commission follows in its Tariff approval process, the most current sheet number on file with the Commission is not always the sheet in effect. Consult the Check Sheet for the sheet currently in effect.
- C. **Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of code is subservient to its next higher level:
- 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).
- D. **Check Sheets** - When a Tariff filing is made with the Commission, an updated Check Sheet accompanies the Tariff filing. The Check Sheet lists the sheets contained in the Tariff with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The Tariff user should refer to the latest Check Sheet to find if a particular sheet is the most current on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1. UNDERTAKING OF THE COMPANY

- 2.1.1. This Tariff contains the rates, terms and conditions applicable to the provision of specialized resold intrastate common carrier telecommunications services by CIMCO Communications, Inc. throughout the State of Kentucky.
- 2.1.2. All services are intrastate service offerings in conjunction with interstate offerings.
- 2.1.3. Company is a non-facilities-based provider of resold interexchange telecommunications to Customers for their direct transmission and reception of voice, data, and other types of communications.
- 2.1.4. Company resells access, switching, transport, and termination services provided by interexchange carriers.
- 2.1.5. Subject to availability, the Customer may use account codes to identify the users or user groups on an account. The numerical composition of the codes shall be set by Company to assure compatibility with the Company's accounting and billing systems and to avoid the duplication of codes.
- 2.1.6. The Company's services are provided on a monthly basis unless otherwise provided, and are available twenty-four (24) hours per day, seven (7) days per week.
- 2.1.7. Request for service under this Tariff will authorize the Company to conduct a credit search on the Customer. The Company may refuse service on the basis of credit history, and to refuse further service due to late payment or nonpayment by the Customer.

2.2. LIMITATIONS OF SERVICE

- 2.2.1. Service is offered subject to availability of the necessary facilities and/or equipment and subject to the provisions of this Tariff.

2.2. LIMITATIONS OF SERVICE, Continued

- 2.2.2. The Company may disconnect service without incurring liability when necessitated by conditions beyond the Company's control or when the Customer is using the service in violation of either the provisions of this Tariff or the Commission's rules.
- 2.2.3. The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.
- 2.2.4. The Customer obtains no property right or interest in the use of any specific type of facility, service, equipment, telephone number, process or code. All rights, titles and interests remain, at all times, solely with the Company.
- 2.2.5. Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this Tariff shall apply to all such permitted assignees or transferees, as well as all conditions of service.
- 2.2.6. The Company may refuse an application for service by a present or former Customer who is indebted to the Company for service previously rendered pursuant to this Tariff until the indebtedness is satisfied.

2.3. USE

- 2.3.1. Service may be used for the transmission of communications by the Customer for any lawful purpose for which the service is technically suited.
- 2.3.2. Service may not be used for any unlawful purpose or for any purpose for which any payment or other compensation is received by the Customer, except when the Customer is a duly authorized and regulated common carrier. This provision does not prohibit an arrangement between the Customer, authorized user or joint user to share the cost of service.

2.3. USE, Continued

2.3.3. Application for service may be made verbally or in writing. The name(s) of the Customer(s) desiring to use the service must be set forth in the application for service.

2.3.4. The Company strictly prohibits use of the Company's services without payment or an avoidance of payment by the Customer by fraudulent means or devices including providing falsified calling card numbers or invalid calling card numbers to the Company, providing falsified or invalid credit card numbers to the Company or in any way misrepresenting the identity of the Customer.

2.4. LIABILITIES OF THE COMPANY

2.4.1. The liability of the Company for damages arising out of mistakes, omission, interruptions, delays, errors or defects in transmission occurring in the course of furnishing service or other facilities and not caused by the negligence of the Customer, commences upon activation of service and in no event exceeds an amount equivalent to the proportionate charge to the Customer for the period of service during which such mistakes, omissions, interruptions, delays, errors, or defects in transmission occur. For the purpose of computing such amount, a month is considered to have thirty (30) days. In no event will the Company be responsible for consequential damages for lost profits suffered by a Customer or end user as the result of interrupted or unsatisfactory service.

2.4.2. Company is not liable for any act or omission of any other company or companies furnishing a portion of the service.

- 2.4.7. The Company is not liable for any failure of performance hereunder due to causes beyond its control, including, but not limited to, unavoidable interruption in the working of its circuits or those of another common carrier; acts of nature, storms, fire, floods or other catastrophes; any law, order, regulation, direction, action, or request of the United States Government, or any other governmental entity having jurisdiction over the Company or of any department, agency, commission, bureau, corporation, or other instrumentality or any one or more of such instrumentality or any one of more of such governmental entities, or of any civil or military authority; national emergencies, insurrections, riots, rebellions, wars, strikes, lockouts, work stoppages, or other labor difficulties; or notwithstanding anything in this tariff to the contrary, the unlawful acts of the Company's agents and employees.
- 2.4.8. The Company shall not be liable for damages or adjustments, refunds, or cancellation of charges unless the Customer has notified the Company, in writing, of any dispute concerning charges, or the basis of any claim for damages, after the invoice is rendered by the Company for the call giving rise to such dispute or claim, unless ordered by the Commission pursuant to Kentucky law. Any such notice must set forth sufficient facts to provide the Company with a reasonable basis upon which to evaluate the Customer's claim or demands.
- 2.4.9. The Company shall not be liable for any damages, including usage charges, that the Customer may incur as a result of the unauthorized use of its communications equipment. The unauthorized use of the Customer's communications equipment includes, but is not limited to, the placement of calls from the Customer's premises and the placement of calls through Customer-controlled or Customer-provisioned equipment that are transmitted or carried over the Company's network services without the authorization of the Customer. The Customer shall be fully liable for all such charges.

2.11. CANCELLATION BY COMPANY, Continued

- 2.11.2. Company, upon ten (10) days written notice to the Customer, may discontinue service or cancel an application for service without incurring any liability for any of the following reasons:
- A. Non-payment of any sum due to the Company for service for more than thirty days beyond the date of rendition of the bill for such service;
 - B. A violation of any regulations governing the service under this Tariff;
 - C. A violation of any law, rule, or regulation of any governmental authority having jurisdiction over the service; or
 - D. Company is prohibited from furnishing services by order of a court or other government authority having jurisdiction.
- 2.11.3. The discontinuance of service(s) by the Company pursuant to this section does not relieve the Customer of any obligations to pay the Company for charges due and owing for service(s) furnished up to the time of discontinuance. The remedies available to the Company set forth herein shall not be exclusive and the Company shall at all times be entitled to all the rights available to it under law or equity.
- 2.11.4. The Company may refuse to permit collect calling, calling card and third-number billing which it determines to be fraudulent and/or may limit the use of these billing options or services.

SECTION 2 - RULES AND REGULATIONS, Continued**2.12. INTERCONNECTION**

- 2.12.1. Service furnished by Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitations established by Company. Any special interface of equipment or facilities necessary to achieve compatibility between the facilities of Company and other participating carriers shall be provided at the Customer's expense.
- 2.12.2. Interconnection between the facilities or services of other carriers shall be under the applicable terms and conditions of the other carriers' tariffs. The Customer is responsible for taking all necessary legal steps for interconnecting Customer-provided terminal equipment or communications equipment with Company's facilities. The Customer shall secure all licenses, permits, rights-of-way and other such arrangements necessary for interconnection.

2.13. DEPOSITS AND ADVANCED PAYMENTS

The Company does not require a deposit or advanced payment from the Customer.

2.14. TAXES

The Customer is responsible for payment of all federal, state and local taxes, franchise, excise and other fees applicable to the Services, including, but not limited to: sales, use, excise, franchise, access, universal service, 911 services and handicapped services.

2.15. FULL FORCE AND EFFECT

Should any provision or portion of this tariff be held by a court or administrative agency of competent jurisdiction to be illegal, invalid or unenforceable, the remaining provisions of this tariff will remain in full force and effect.

SECTION 3 - DESCRIPTION OF SERVICE

3.1. TIMING OF CALLS

- 3.1.1. The Customer's intrastate usage charge is based on the actual usage of Company's service. Usage begins when the receiver of the called number is answered. The moment of the called party's answer is determined by hardware supervision in which the local telephone company sends a signal to the underlying carrier's switch or the software utilizing audio tone detection. The timing of the call occurs when the called party answers and terminated when either party hangs up.
- 3.1.2. The minimum call duration for billing purposes for all calls depends on the type of service subscribed to and the term of the Customer's contract with the Company.
- 3.1.3. Any portion of an applicable increment, after the appropriate minimum time for the call, will be rounded upward to the next increment. Calls less than the minimum length will be rounded to the minimum length.
- 3.1.4. There is no billing for incomplete calls.
